Raimon Land Public Company Limited (“the Company”) would like to inform investors and interested person on the progress of real estate development projects as follows:

Plan to launch 2 new luxury condominium projects in prime CBD area

Over the past year, the Company has acquired 2 plots of land for the development of luxury condominiums in the prime area of Sukhumvit and Sathorn. The Company expects to launch at least two projects in the second half of 2018 (within 3rd and 4th quarter). Both projects will have a total value of over 8,500 million Baht and are expected to have around 440 units (approximately). The Company will disclose the progress of the projects continuously.

Get ready for the land handover for office building development

As the Company announced its plan to develop office building and retail space for rent on Ploenchit road, the Company expects to complete the handover of the leased land smoothly in this April as scheduled. The Company also expects to clear the land’s surface for construction and commence construction work within the fourth quarter this year.

Sufficient fund and financial support

The Company is now ready and has sufficient fund, financial support and resource to develop the on-going projects and above new projects.

The Company will update the status when there is significant movement.

Please be informed accordingly.
